

PANORAMA CRUISE & TRAVEL

We're here to get you there

Buona Sera

Over the last year several friends have asked Greg & I to organise a special tour and holiday to Italy. Greg has had several trips to Italy and it is one of his favourite destinations so he has put this itinerary together to include the "must sees" plus his favourite locations. He has included many highlights to suit different tastes and tried to select accommodation that will give the best experience and appreciation of the respective locations, at the same time trying to keep in mind value for money. I would be pleased if you could join us on this special holiday. Salute
